Winnipeg, Manitoba November 18, 2011

Dragon Racing Fuels has joined Team Jimmy John's/ Ski-Doo/BOSS Racing as the official fuel supplier during the 2011-2012 season. The team will be using the Tarragon 110 in our stock sleds and Tarragon 118 NOS for the Ski-Doo mods. Tarragon 110 was derived through a hand blending process and developed by legendary race fuel formulator Jim Meiser.

Dragon Racing Fuels offers a complete line of race fuels for drag racing, sprint cars, motocross, supercross and marine performance arena. In addition, Dragon Racing Fuels has introduced 3 new state of the art formulations with superior performance for the motorcycle market.

"The Dragon Racing Fuels line is gaining in popularity amongst racers, and we are proud to be affiliated with a company so aggressively supporting motorsports and we welcome their products and expertise."— Garry Querel

Dragon Racing Fuels is solely manufactured by Performance Products Inc. a division of Newton Oil Company Inc. based in Lafayette, Indiana and can be purchased from elite distributors nationwide. To learn more about the company, please visit their website at dragonracingfuels.com.
